

# QR.X-SQuaD-Workshop

-additional information-

**February 22<sup>nd</sup>-24<sup>th</sup> 2023**

Physikzentrum, Bad Honnef

---

## Location

The workshop will be held at the Physikzentrum Bad Honnef (PBH), a scientific conference centre with accommodation.

[https://www.dpg-physik.de/ueber-uns/physikzentrum-bad-honnef?set\\_language=en](https://www.dpg-physik.de/ueber-uns/physikzentrum-bad-honnef?set_language=en)

## Workshop fee

All participants, who have registered for the workshop including accommodation (Übernachtung) will be housed at the Physikzentrum.

The fee for the complete workshop (22.02.-24.02.) is 294 € including infrastructural fee, accommodation (single room) and catering. For participants without accommodation the fee is 150 €, including infrastructural fee and catering.

For a shorter stay (w/wo accommodation), the fee is reduced accordingly. Please pay your bill at the PHB office anytime during your stay to avoid a huge checkout crowd at the end of the workshop.

## How to get there

<https://www.dpg-physik.de/ueber-uns/physikzentrum-bad-honnef/kontakt-anfahrt>

## Arrival by car

From the north via the A3 - Heumarer Dreieck - A59 continued as B42 to Bad Honnef - exit Rhöndorf, follow the Rhöndorfer Straße, which becomes the Hauptstraße (approx. 2 km), on the left side you will find the Physikzentrum (corner Meßbeuel).

From the south via the A3 Frankfurt-Köln exit Bad Honnef-Linz through the Schmelztal to Bad Honnef, follow the main road until you reach a sharp left turn, then immediately turn right again (Am Saynschen Hof). Follow this road (priority road) for approx. 1.5 km, you will find the Physikzentrum Bad Honnef on the right-hand side.

## Arrival by train or public transport

*Please note: Die Bahnstrecke zwischen Bonn-Beuel und Rhöndorf ist vom 21.02.- 25.02. gesperrt. Als Alternative werden Busse im Schienenersatzverkehr (SEV) eingesetzt, die alle Halte anfahren.*

*Eine gute Alternative ist auch die Stadtbahnlinie 66.*

*Weiterführende Infos über die Verkehrsankunft der Deutschen Bahn*

From Cologne from the direction of Koblenz (right side of the Rhine) to the stop "Rhöndorf".

From Frankfurt either via Siegburg (ICE) to Troisdorf and then to Rhöndorf (right side of the Rhine) or via Koblenz and then to Rhöndorf (often cheaper with the same journey time).

It is a 10 minute walk to the Physikzentrum or take bus 566 to the stop "Meßbeuel".

From Bonn take the S-Bahn line 66 to the stop "Am Spitzenbach", which is a 5 minute walk from the Physikzentrum Bad Honnef.

Taxi in Bad Honnef and Rhöndorf: Tel.: +49 (2224) 2222 or +49 (2224) 2121. From Rhöndorf the PBH can be reached on foot (approx. 10 min, see city map) or by taxi.
